Gliding from Fleetwood and Cleveleys, along 11 miles of the Fylde Coast, past Blackpool Town Centre and down to Starr Gate.

The stop at North Station offers seamless connections to the national rail network, with many other stops along the route allowing easy interchange to local bus services.

The Tramway is a 'turn up and go' service, running from every 10 minutes throughout the daytime 7 days a week. In the early morning and evenings a frequent service operates from every 15 minutes.

There are direct trams running the full length of the route along the mainline, with every other tram serving Blackpool North Station.
